

Student/Parent Alert Message Request

As a convenience to parents, Wildcat Café allows parents to place an alert message on a child’s account for additional control of spending or other food related request. Please use the lines below to create your message. We are unable to monitor daily or weekly usage amounts due to the separation of breakfast and lunch in the computer system. Parents can monitor daily and weekly usage by our on-line system called Lunch Money Now. You can use Lunch Money Now at www.wildcatcafe.org. This system is updated every night at 7:00pm.

Child’s Name _____ ID Number _____

Alert _____

If this alert is for no milk, you will be responsible for buying a drink. In order to receive a free substitute drink, we are required to have documented medical instructions for any allergies that may cause a life threatening issues.

Alert messages can only be entered or removed by written request of the parent.
